Country Prayer Cards

Let's Pray for Afghanistan

Grab a map and lay hands on the country of Afghanistan as you pray:

“Dear Jesus, our hearts break with our brothers and sister in Afghanistan right now. We pray that in the midst of the unknowns, fear, and distrust, that they may still turn to you and claim you as their ‘light and salvation’. May they remember that You have them in the palm of Your hand. We pray especially for the women and children: put a barrier of protection around them, that, in Jesus’ Name, they can say that You hid them in Your dwelling place and in Your presence. We pray that even though they may feel like an army surrounds them, they will not fear and will remain confident in You. May they stand firm in You. We know You have a plan in Afghanistan and You are working all things out for good! We pray for Your Truth, and Your way, and Your will to be made known in that place. In Jesus’ name and for His glory, Amen.”
