Let's Pray for the Poor

Hold hands as a family while you pray:

“Dear Jesus, we know You cared for and loved the poor. You wanted everyone to be invited to Your banquet table. We pray for those who are often overlooked by our world because of their poverty. We ask that You would send Your people to share the Good News and help the poor with their physical need. Provide their daily bread, a home to shelter in, and Your love. Break the cycle of poverty in the world today! Make our hearts like yours, Jesus, and show us how we can be like the Good Samaritan in our neighborhood, schools, local community, and world. We want to be the hands and feet of Jesus to bring others Your hope and Your love. Thank You that You came to make a way where there is no way and to show us all how to live. In Jesus’ name, Amen.
