Country Prayer Cards

Let's Pray for China

Grab a map and lay hands on the country of China as you pray:

“Dear Jesus, we pray for the Chinese people to look for You, the God who created them and loves them, as their rescuer. We pray that Your Holy Spirit would remove the blinders of their oppressive government and open their eyes to their need for a personal Savior. Jesus, we ask that You would make a way for millions of Chinese to come to faith in Jesus and like a fire, spread through that enormous land. We pray for believers in that land to be bold in their witness despite opposition and for courage to stand strong against the cultural norms. We pray for the missionaries in China to be refreshed in You and that You would grant them favor with the leaders and influencers of the country. We praise You for what You have done in that country and for the believers You have already redeemed. We pray that You would raise up more missionaries for the harvest in China. We ask all of this in Jesus’ name, amen.”
