## Let's Pray for Muslims

Lay your hands on a Muslim country on a map or globe as you pray:

*“Dear Jesus, we know that You came to ‘set the captives free’ from the bondage of sin and eternal death. We pray for the Muslims who are seeking Truth this month and working to gain favor in Allah’s eyes in order to earn freedom from their sins and eternal glory. We ask that You, Jesus, would appear to them in their dreams and visions in such a powerful way that whole families and communities would turn to saving faith in You! We ask that the Holy Spirit would soften hearts and open eyes to receive the Truth that their works are like filthy rags and they can not earn eternity in their own strength but that it is a gift to only be grasped and received only through Jesus. We pray that You would make this Truth plain to them as they seek You in earnest. Answer them in Your power, Jesus, amen!”*
